At last! I have been able  
to secure this Card. The  
place looks rather queer.  
without any patients sitting  
about. & between the house  
& that fence there is quite  
a respectable lawn -  
The Croquet & my room  
are round the other side  
altogether. Thank you for  
gentlewoman. How well  
we write for the Press -  
Frieda -
